The New York State Division of Criminal Justice Services (DCJS) maintains a Sex Offender Registry classifying offenders according to their risk of reoffending: low-risk (Level 1), moderate-risk (Level 2) and high-risk (Level 3).

Under the provisions of the Family Educational Rights and Privacy Act, as amended by the Campus Sex Crimes Prevention Act, and the New York State Sex Offender Registration Act, LIBI will disclose to the college community information concerning Registered Sex Offenders in accordance with applicable laws.

Sexual offenders registered in New York are required to notify the Registry of any institution of higher learning where he or she expects to be enrolled, attending or employed and whether he or she expects to reside at a facility operated by the institution. Any change in status must be reported to the Registry no later than ten (10) days after such change.

Any violations of LIBI's policies based on these provisions by LIBI's employees or students will be handled in accordance with normal college procedures.

As of 10/1/2015 LIBI has no information from the New York State Division of Criminal Justice Services (DCJS) indicating any Level 2 or 3 Sex Offenders are working or attending the college at this time.
