A.O.S. DEGREE PROGRAM: Hospitality Management

HEGIS Code 5010

The Hospitality Management Associate in Occupational Studies Degree is a two-year program that prepares prospective students for entry-level employment in the hospitality industry as client ambassadors, hosts/hostesses, floor supervisors, receptionists, sales and marketing agents, casino dealers, booth cashiers, concierge agents, and other hospitality service workers. The program engages students in comprehensive business and hospitality fundamentals such as customer service management, principles of sales, business mathematics, and business communications. Students also learn the intricacies of casino gaming, lodging management, event planning, food and beverage operations, revenue management, food safety, and travel and tourism.

Graduation Requirements: Students must complete a minimum of 61 credits of required courses with a minimum cumulative GPA of 2.0.
